

About Us

Palakkad Arts & Science College known as PAS College is situated at Palakkad - The Granary of Kerala . We have been guiding and facilitating students to find best choice of courses according to their caliber with regarding to pursuing higher education since 2000.

The PAS is run by a team of professionals having academic and technical knowledge and experience in both govt. and private sector headed by founder chairman Sri Suresh - eminent academican having more than 25 years teaching experience.

The PAS is located at heart of the city - Palakkad, near Palakkad Town Railway station, Gods own country Kerala. This will help to students to reach our college without any constraints. Plenty of transport facilities are available to reach college

We organize seminars venturing with various Trusts and Societies for Career Guidance and selecting right programmes. Many Students benefit out of our organization and find their right choice of courses and have placed in highly reputed organizations

PAS College is also having Seminar Hall with all facilities including Air-conditioned and Smart Class rooms. The Building consists Administrative Office & Visitors Lounge for providing guidance and information

The main building is also occupying computer section and Skill Development programs All the departments possess their own specific and well equipped facilities.

Our Air Conditioned Class room facility is also used for IELTS and OET training for nurses and students who intend to work or migrate other country where English is Mandatory.

Currently we are associated with many leading Educational Institutions for providing Admission support and Guidance. We ensure that students are getting hassle- free admission to highly reputed and recognized institutions

We, at PAS - dedicated and motivated professional team with years of experience continues to engage our time and effort for providing higher education and training to young personnel, for making our nation self-reliant.
